ADDENDUM TO ATTACHMENT B2

Pursuant to Rule 41(e)(2)(B) of the Federal Rules of Criminal Procedure, this warrant authorizes the removal of electronic storage media and copying of electronically stored information found in the premises described in Attachment A so that they may be reviewed in a secure environment for information consistent with the warrant. That review shall be conducted pursuant to the following protocol:

The review of electronically stored information and electronic storage media removed from the premises described in Attachment A may include the following techniques (the following is a non-exclusive list, and the government may use other procedures that, like those listed below, minimize the review of information not within the list of items to be seized as set forth herein):

- a. examination of all the data contained in such computer hardware, computer software, and/or memory storage devices to determine whether that data falls within the items to be seized as set forth in Attachment B;
- b. searching for and attempting to recover any deleted, hidden, or encrypted data to determine whether that data falls within the list of items to be seized as set forth in Attachment B (any data that is encrypted and unreadable will not be returned unless law enforcement personnel have determined that the data is not (1) an instrumentality of the offenses, (2) a fruit of the criminal activity, (3) contraband, (4) otherwise unlawfully possessed, or (5) evidence of the offenses specified above);
- c. surveying file directories and the individual files they contain to determine whether they include data falling within the list of items to be seized as set forth in Attachment B; and
- d. opening or reading portions of files, and performing key word searches of files, in order to determine whether their contents fall within the items to be seized as set forth in Attachment B.

The government will return any electronic storage media removed from the premises described in Attachment A within 30 days of the removal unless, pursuant to Rule 41(c)(2) or (3) of the Federal Rules of Criminal Procedure, the removed electronic storage media contains contraband or constitutes an instrumentality of crime, or unless otherwise ordered by the Court.
